

2024 ArtScape Youth Banner

Artwork from the youth of Henderson County will be displayed on banners within Jackson Park of Henderson County. We will hang banners with art images from our juried work. The banners will remain in Jackson Park for the 2024 ArtScape Season.

Youth ArtScape is open to only Henderson County residents. Applicants must be 17 years old or younger, attending grades 1 through 12.

2D or 3D fine art, fine craft, and photography will be considered.

The area on the banner that will display the artwork is about 24" x 24". Artwork not square will be considered. Artwork not square will be cropped at the discretion of the committee. Artwork must be suitable for public viewing in community spaces.

When choosing your entries, consider how it will look from a distance and high on a light pole. Vibrant colors and high contrast work best.

2024 ArtScape Youth Banner Artist Application

Before you apply:

You will be required to provide the following during the application process.
