Presidents Notes:

I hope you are enjoying the new weekly format of our "Upcoming at the Art League." Many thanks to Patti Beckert who took on the challenge to pull together important upcoming events and dates each week. We have had lots of feedback on the number of emails we send out. And, our monthly newsletter was so long, it took forever to read it. So, our plan going forward is weekly "Upcoming...", and occasional newsletters with lots of images of our artists at work and play.

We will include a topic or event in the subject line of individual emails so that members can skip them if they aren't interested in the subject. You can always look at the website for Events and Exhibits, Calls to Artists, and Upcoming Workshops to see what is going on.

Lastly, we don't have a firm date yet, but we will be hosting a full membership meeting in July which will be held in the City of Hendersonville meeting room, so watch for that announcement. We will provide news, plans, and arrange time for people to meet each other and share ideas.

COMING UP AT THE ART LEAGUE...

June Member Show - You are invited to join us on June 1 from 2-4 pm for the opening reception for our June Main Gallery Show at the Gallery at Art Place.

Glass Artist Stephen Hernandez will be giving a demonstration of the fused glass process from cutting the glass to finishing up with a fused piece. We will hold a drawing for a chance to take home Stephen's finished piece.

Also, we will again have a People's Choice award for an exhibited piece of art, so invite your friends and family to come out and support you. The art with the most votes wins!

Don't miss this one. The exhibit will run the entire month of June.

All Creatures Great and Small exhibit continues at the Henderson County Library March 28th through June 28th. See Library website for visiting hours
301 N. Washington St, Hendersonville, NC
