The League's First Fiber Show — September 14 through 18

Bold Life magazine printed an article about the League's upcoming Fiber show in its September issue. As Norie Sanchez says in her interview, the possibilities of creating with fiber and a pair of scissors are "endless." Come see what some of our Fiber Arts members have created. Hours are 11 to 5, September 14-18.

The Event Reception will be held on Friday, September 16 from 5 to 7.

Phil and Julie Wilmot have generously offered space in their Art on 7th gallery for this event. 330 7th Avenue East in Hendersonville.

New Member Orientation September 13, 3 to 5 p.m.

If you are a new member of the Art League and have not attended a previous orientation, you are invited to join us at St. Paul Winery on Tuesday, September 13, from 3-5. This is an informal gathering for you to get to know us and tell us about yourself and your interests. Board members will describe their activities and the volunteer opportunities they offer.

Please let us know if you are planning to attend. The link to the registration form is on the website artleaguehvl.org/events. The next New Member Orientation will be held in November.

Only 16 spaces available in the Fall Library Exhibit

For the Fall quarter, we will have only the wall next to the Teen Room and Children's Library, so only the first 16 works entered can be hung. The theme will be "Through a Child's Eyes", looking for art pieces that are attractive to children of all ages (don't forget those teen-agers!) because children need art, too. We're not talking about Disney princesses and marvel comics, but rather pieces that parents and teachers can view and discuss with kids.

A link to the registration form is on the website. www.artleaguehvl.org under Exhibits.

The exhibit will run from Friday, September 30 to Friday, January 6, 2023. The library is now allowing artists to mark their work "available" but ALL WORKS HUNG MUST REMAIN THROUGH THE DURATION OF THE EXHIBIT, per library stipulations. Contact Norie Sanchez at 704-576-1667 if you have questions.

Pick up from the Mountains to the Sea exhibit at the Library on Sept. 30, 11-noon.

President's Message

We are in the countdown to one new and one restarted event for the Art League – the Fiber Show which will be held at Art on 7th in September and the “Fall for Art” Open Studio Tour in October. These two efforts would not have been possible without the hours of commitment by our members. I want to thank all the new members who have jumped in and volunteered their time to make these events possible.

Last month, your Board of Directors agreed to provide opportunities to all the area school arts teachers with honorary memberships in the Art League. Our Youth Programs chair, Lisa Casperson, has been coordinating this effort. This month will be the first time our teachers will be receiving our newsletter and going forward they can participate in our exhibits and events that are only open to members, as well as get member discounts on fee-based events. In our booth at Art on Main we will once again be raffling collage artwork created at one of our member meetings to raise funds for art supplies for the schools.

You will see below that we are getting ready for our annual meeting and election of officers. I am confident that our future is bright and appreciate the support I have received throughout these very busy months.
